PROFILE

Highly motivated Mechanical Engineering student with a strong passion for software development and problem-solving in Java. Proficient in the MERN stack (MongoDB, Express.js, React.js, Node.js) for developing full-stack web applications with RESTful APIs and secure authentication. Skilled in HTML, CSS, JavaScript, Git, and modern deployment platforms. Strong communicator with proven teamwork and adaptability.

SKILLS

Languages	Java, Python, C
Frontend	HTML, CSS, React.js, JavaScript
Databases	MySQL, MongoDB
Tools	Git, GitHub, VS Code
Deployment	Vercel, Render
Coursework	Data Structures, Operating Systems, DBMS, OOPS

PROJECTS

Series House	Full Stack
- Built a full-stack web application for discovering, rating, and reviewing TV series. - Engineered secure user authentication and built robust RESTful APIs to handle user interactions and scalable data management. - Designed a responsive frontend UI and optimized database queries to ensure fast retrieval of search results and dynamic user reviews.	

Simple ATM Application	MERN Stack
- Developed a MERN-based ATM application to simulate secure banking transactions, including deposits, withdrawals, and balance inquiries. - Implemented dynamic client-side routing and real-time state updates using React.js to ensure a seamless and intuitive user experience. - Designed backend architecture with Node.js and MongoDB to maintain strict data integrity, secure account management, and reliable transaction history.	

EDUCATION

2024 - 2028	Bachelor's Degree at Kongu Engineering College	(CGPA: 8.78/10.0)
2024	Class 12th CBSE	(85.6 %)
2022	Class 10th CBSE	(74.6 %)

IN-PLANT TRAINING

In-Plant Trainee	JK Fenner Jul 2025 (1 Week)
- Gained practical, hands-on exposure to industrial workflows and operational processes. - Observed and analyzed systems to bridge the gap between theoretical coursework and real-world industrial applications.	

ACHIEVEMENTS

- Winner:** Intercollege Mini Hackathon & Ideathon (2025).
- Winner:** Paper and Project Presentation at EKNA 2025, Anna University, Coimbatore (Recognized with the college's Annual Day Award).
- Top 5 Finalist:** Proof of Concept (POC) Event.

TRAINING & CERTIFICATIONS

- SuperPacc Training Program** – Talentio
- Certification Course: ProSimulator** – Sim Infosystem Pvt. Ltd
